Re: Arkansas Company Site, Foundry Street, Newark, New Jersey
Memorandum of Agreement

Dear Ms. Watson:

On June 12, 1989, I forwarded a final execution copy of the above-referenced Memorandum of Agreement to be signed by the Mayor (copy enclosed) to Glenn Grant, Corporation Counsel. I have tried reaching Mr. Grant by telephone several times to inquire as to the status of the Agreement, but unfortunately, we kept missing each other.

Please call me immediately to discuss this matter; EPA is anxious to execute the Agreement to meet its end-of-fiscal-year commitments, and I am sure that the City wishes to proceed with the sale of the property. I can be reached at (212) 264-3268.

Sincerely yours,

William C. Tucker
Assistant Regional Counsel
